DM, Hamirpur conveyed that they will explore the process for acquiring private patches of land and facilitate for the same from the District Administration side. After the site visit, details of Government and private land in the villages of Baije Mau and Bhulsi were shared by UPNEDA Project Officer, Hamirpur.

It has been proposed to move ahead with the process of acquiring the identified land with the support of UPNEDA and Hamirpur District Administration. In this regard, it is requested to extend your support in acquiring the identified land parcel.
